

International Symposium on Critical Bleeding Copenhagen, September 4th - 5th 2017

Dear Potential Sponsor/Exhibitor

The large interest in the previous five ISCB meetings underlines the importance of a multidisciplinary symposium concerning Critical Bleeding. Therefore, it is our pleasure to invite you to the International Symposium on Critical Bleeding on September 4th - 5th 2017 (www.iscb2017.dk) at Moltkes Palace in Copenhagen, Denmark.

The congress participants come from all relevant medical specialities (Anaesthesiology, Surgery, Trauma, Haematology, Cardiology, Critical Care, Obstetrics and Gynaecology, Transfusion Medicine & Blood Banking). The broad spectrum of participants ensures that you will be able to target the right audience by participating in the *ISCB2017* symposium. The symposium has been sold out (400 participants) at the five previous events and we expect a full house also at this meeting.

Also in the *ISCB2017* symposium we will have internationally renowned speakers ensuring the highest level of expertise and cutting edge presentations in all sessions covering the whole spectrum of critical bleeding.

The *ISCB2017* will also have OCTAPHARMA as the major sponsor. Additionally, there is **one GOLD and two SILVER** sponsorships available together with several **exhibitor stands** (please see the attached floor plan).

Gold and Silver sponsors will be guaranteed the possibility to obtain 30 and 20 conference registrations at the minimum rate for their VIP guests, respectively. Additional conference registrations for company-invited guests will be possible, pending availability.

For further information please visit the *ISCB2017* homepage: www.iscb2017.dk
